Hope

Lights. Parties. Candy and Cookies. Music. This time of the year is filled with fun and joyful things, isn't it? Even if you're not a big Christmas person, you probably appreciate this time of the year because things are upbeat and positive. Hopeful.

At a time in our society when things are so difficult and challenging, having something to look forward to is important. Abby and I have noticed that people seem to have put up Christmas lights earlier this year and last year. Of course, many of you started listening to Christmas music immediately after Halloween 😊 These practices speak to our need of hope and our desire to have something to look forward to.

I've often said that we have the best message anyone can imagine. We know the cure to all of our problems—Jesus! Shouldn't we of all people be happy and hopeful, especially at this time of the year? As we begin our week leading up to the big day, let's not forget the Reason for the Season, and the Hope that brings us true joy. Jesus.

Missions Reminder

This is a reminder that a portion of the monies that you give to the contribution each week is used to support many different mission programs. One of the programs we support is the Churches of Christ Disaster Relief Fund. This mission goes to and helps areas suffering from any natural disaster. Currently they are in Mayfield, KY, and surrounding areas helping with the tornado disaster. Please keep the victims in this area and all the volunteers that are there to help in your prayers.
