Congratulations to Kyle & Leah Hickenbottom on the birth of their son, Tate Landon, on Friday, February 4th, 2022.

Kids Say the Darndest Things

Those of you who are older may remember a segment to Art Linkletter's show where he interviewed school children on different topics to see what their responses were. Of course, asking any child what they think of things like parenting, politics, religion, or any other serious topic is guaranteed to be amusing. The segment was so popular it ran for 27 years and eventually became its own show in the late 1990s entitled, "Kids Say the Darndest Things."

Kids do say some funny things. Abby and I are always amused at our own children's responses to different events. Their perspective on life, what's important, and what is fun are so valuable to us as adults. As we age, we become more sober minded. We lose our ability to imagine, our faith in something bigger than ourselves, and our ability to enjoy the simple things in life. I believe this is why God has us raise children. They are constantly calling us back to life as it should be: simple, fun, and full of things to discover and enjoy. Maybe this is why Jesus said, "Unless you turn and become like children, you will never enter the kingdom of heaven." (Matt 18:3)

The next time you're exasperated by something your child or grandchild does or says, remind yourself of the command to be like them. There may be something in what they are doing that is more Godly than we realize.

Bible Class Teachers Needed

Due to new babies (a good thing) and Covid (a bad thing) we desperately need Bible class teachers at all levels. **Cradle Roll (6 mos.- 2 yrs.) Littles (3-4 yrs. old); 5yr old- 1st grade; 2nd – 3rd grade; 4th -6th grade;** for each quarter. We have roughly 80 children that fall in these age groups. First, pray, then contact Merna, (740-213-3930) with which grade level and quarter you would like to teach. Be blessed and bless our children.

Spring Quarter (2nd) March 13th – June 5th

Summer Quarter (3rd) June 12th – September 11th

Fall Quarter (4th) September 18th – December 11th
