Dear friends,

Currently, we are sending supplies to Florida due to hurricane Ian's devastation, and the destruction it caused. We are continuing to help Eastern Kentucky and Western Virginia after the flooding that took place there. Earlier this year, we helped tornado victims in Arkansas, Kansas, Kentucky, Michigan, Oklahoma and Texas. We continue to send appliances, mattresses, furniture, and water heaters for low income and uninsured families to replace the items they lost due to these disasters. We stay prepared for the next major disaster with nonperishable food, personal hygiene, infant care, and prepacked cleaning supplies ready to ship at any time.

Thanks for your support and please keep us in your prayers as we continue to help others in need.

Yours in Christ,
Mike Lewis
