Walk4Water

We will be hosting and sponsoring a Walk4Water on Saturday, October 21st on the church premises. To preregister and/or donate for the walk, please go to: [https://walk4water.hhi.org/woodsfield-oh-](https://walk4water.hhi.org/woodsfield-oh-2023)

2023. Registration begins at 9:00 a.m. and the walk begins at 10:00 a.m. If you have any questions please contact Amanda Bates, Abby McFarland or Lindsay Stalder.

WHAT IS WALK4WATER?

Globally, the average distance to walk for water is four miles, if there is even any water to be found. This pattern is not sustainable and stunts the growth of families and individuals everywhere. This is why we Walk4Water.

Walk4Water is a fundraising program within Healing Hands International that helps support its Clean Water program. Starting in 2007, Walk4Water has hosted events in communities all over the nation at schools, churches, and organizations. The goal is to bring the life-saving gift of clean water to those who need it so desperately. Since 2001, we are grateful to share over 1,500 clean water wells have been drilled in over ten countries. The impact is exponential — clean water leads to abundant life!

Don't Take My Word for It

In the “Light for A Dark Path” series, we’ve spent the last two weeks talking about how important the word of God is for us to study and learn on our own, not just as a part of church one or two days a week. We saw how the word of God helps us find our way in life and how it helps keep us from sin and helps us fight temptation. For our last lesson in the series, we’ll take a little deeper dive into studying it for yourself—how do you actually do that? Is it even possible to understand the Bible without a preacher or someone to explain? (Hint: the answer is yes! 😊)

The Bible is big and can be a complicated book, but the basics are pretty simple. The beauty of Scripture is that it ranges in simplicity from something even children can understand, to containing enough material for PhDs to debate and argue over for a lifetime! God has truly given us a gift in preserving His word for us. There is something for everyone of all ages, backgrounds and education levels.

I hope that as we close this series out, you’ll make a commitment to greater study and time spent in God’s word. Don’t feel like you need to know the answers to every question—there are preachers and scholars who spend their life studying it and still don’t know everything! Do feel like you need to spend more time in it to grow in relationship with God...it is His letter to you! He wants to reveal Himself to you and it’s all there—you just have to read it!

Sisters Building Sisters for Christ

In lieu of Secret Sisters, Generations Baby Boom and Gen X (been there, done that) would like to adopt Millennials and Gen Z (still in the thick of it) and brighten your days. PLEASE fill out a card with your information and allow us to bring some

Sonshine into your lives. We love you and just want you to know we appreciate all that you are doing – just to make it through another day. So, Millennials/Gen Z, brighten our days by filling out an information card... you will not get a card in return to be responsible for this time.

Thank You - Your older and loving sisters in Christ.
